Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

## **General Information On Condominiums**

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

## **Operation of the Condominium Project**

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

#### 1.4 Parking Stalls

Total Parking Stalls in the Project:*	539 residential (including 19 guest stalls) and 34 commercial (see Exhibit "A-1" for breakdown)
Number of Guest Stalls in the Project:	19

If the Developer has reserved any rights to assign or re-assign parking stalls, describe such rights. The residential parking stalls described on Exhibit "A" as Unit Limited Common Elements to Residential Unit 2-A may eventually be redesignated to other Residential Units as Unit Limited Common Elements by the Developer. The Developer also has the right to redesignate Unit Limited Common Element parking stalls between Residential Units it owns.	

\* Note: There are 4 loading stalls/docks not included in this count that are described in Exhibit "A-1." Some stalls are located within enclosed individual parking garages, as depicted on the Condominium Map and noted in Exhibit "A". See Exhibit "A-1" for more details.

<u>Common Interest:</u> Each unit will have a percentage interest in the common elements appurtenant to each unit. This interest is called the "common interest". It is used to determine each unit's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by unit owners. The common interest for each unit in this project, as described in Declaration, is:
Described in Exhibit "A".
As follows:

Although the common elements are owned jointly by all unit owners, those portions of the common elements that are designated as limited common elements (see Section 1.10 below) may be used only by those units to which they are assigned. ### 3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

#### 3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

Land Court or Bureau of Conveyances	Date of Document	Document Number
Declaration of Condominium Property Regime of 1108 Auahi	September 16, 2013	A-50310869

#### Amendments to Declaration of Condominium Property Regime

Land Court or Bureau of Conveyances	Date of Document	Document Number
First Amendment to Declaration and Condominium Map	November 1, 2013	A-50571040
Second Amendment to Declaration	December 11, 2013	A-50940796
Third Amendment to Declaration and Condominium Map	October 2, 2014	A-54060744

#### 3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

Land Court or Bureau of Conveyances	Date of Document	Document Number
Bylaws of the Association of Unit Owners of 1108 Auahi	September 16, 2013	A-50310870

#### Amendments to Bylaws of the Association of Unit Owners

Land Court or Bureau of Conveyances	Date of Document	Document Number
First Amendment to Bylaws of the Association of Unit Owners of 1108 Auahi	October 2, 2014	A-54060745

#### 3.3 Condominium Map

The Condominium Map contains a site plan and floor plans, elevations and layout of the condominium project. It also shows the floor plan, unit number and dimensions of each unit.

Land Court Map Number	
Bureau of Conveyances Map Number	5220
Dates of Recordation of Amendments to the Condominium Map: November 5, 2013 and October 20, 2014	

### 3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input checked="" type="checkbox"/>	See Exhibit "K"
Have Been Adopted and Date of Adoption	<input type="checkbox"/>	
Developer does not plan to adopt House Rules	<input type="checkbox"/>	

### 3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

### 3.6 Rights Reserved by the Developer to Make changes to the Condominium Project or Project Documents

<input type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).

### 4.1 Management of the Common Elements

<u>Management of the Common Elements:</u> The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. ### 4.2 Estimate of the Initial Maintenance Fees

<u>Estimate of the Initial Maintenance Fees:</u> The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit "H" contains a breakdown of the revised estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

<input type="checkbox"/>	Developer has designated the units for sale to Owner-Occupants in this report. See Exhibit _____.
<input checked="" type="checkbox"/>	Developer has or will designate the units for sale to Owner-Occupants by publication.

### 5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

<input type="checkbox"/>	There are <u>no blanket liens</u> affecting title to the individual units.
<input checked="" type="checkbox"/>	There are <u>blanket liens</u> that may affect title to the individual units.

Type of Lien	Effect on Purchaser's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance
Mortgage	If there is a default and a foreclosure of the mortgage prior to conveyances, the Purchaser may lose the right to buy a Unit and Purchaser's deposits, less escrow cancellation fees, shall be refunded and the Purchaser shall have no further interest in the Project.

### 5.4 Construction Warranties

Construction Warranties: Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:

Building and Other Improvements: see page 13a

Appliances: see page 13a

**Building and Other Improvements:**

The Units are being sold in "As Is" condition and the Developer makes no warranties or representations about the condition of the Units and the Project, except as may be otherwise provided in the Unit Deeds (relating to warranties of title) and in the Sales Contract. Upon closing, Developer shall assign to Owner any and all warranties given the Developer by the general contractor for the Project (the "Contractor") and by any subcontractor or materialmen, including the Contractor's guarantee of materials and workmanship against faulty or deficient materials installed for a period of one (1) year after "Substantial Completion" of the Unit, as defined in the construction contract for the Project. The Developer will make no other warranties, express or implied, with respect to the design, condition, workmanship, materials, value or use of the Project, the Unit or any common elements or anything thereon or therein.

The Developer will also pass on extended warranties it receives from the Contractor and its suppliers, if any.

**Appliances:**

The Developer is not the manufacturer of the furnishings and appliances that will be included with the Unit and disclaims any express or implied warranty of any kind whatsoever with respect to such furnishings and appliances, including the merchantability of such furnishings and appliances or their fitness for any particular purpose. The Developer will pass on any existing manufacturer's or dealer's warranties covering such furnishings and appliances to the extent that such warranties are transferable to the Buyer.

## 5.5 Status of Construction, Date of Completion or Estimated Date of Completion

Status of Construction: The Developer has not commenced construction.
Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract:  The Developer shall complete construction of the Residential Unit covered by a sales contract so as to provide normal occupancy of the Unit within five (5) years from the date the sales contract becomes binding.
Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract:

## 5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

<input type="checkbox"/>	Spatial Units. The Developer hereby declares by checking the box to the left that it offering spatial units for sale and will not be using purchasers' deposits to pay for any costs to pay for project construction or to complete the project.
<input type="checkbox"/>	Should the developer be using purchaser's deposits to pay for any project construction costs or to complete the project including lease payments, real property taxes, architectural, engineering, legal fees, financing costs; or costs to cure violations of county zoning and building ordinances and codes or other incidental project expenses, the Developer has to meet certain requirements, described below in 5.6.1 or 5.6.2.

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

### 5.6.1 Purchaser Deposits Will Not be Disbursed Before Closing or Conveyance

<input type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.  If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.
--------------------------	--

### 5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):

<input checked="" type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p><b>Box A</b></p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><b><u>Important Notice Regarding Your Deposits: Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</u></b></p>
<p><b>Box B</b></p> <p><input checked="" type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <b><u>Important Notice Regarding Your Deposits</u></b> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <b><u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u></b> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <b><u>Important Notice Regarding Your Deposits</u></b> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

**Material House Bond.** If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

## 5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.

1.	<b>Developer's Public Report</b>
2.	<b>Declaration of Condominium Property Regime (and any amendments)</b>
3.	<b>Bylaws of the Association of Unit Owners (and any amendments)</b>
4.	<b>Condominium Map (and any amendments)</b>
5.	House Rules, if any
6.	Escrow Agreement
7.	Hawaii's Condominium Property Act (Chapter 514B, HRS, as amended) and Hawaii Administrative Rules (Chapter 16-107, adopted by the Real Estate Commission, as amended), provided that rules and regulations under Chapter 514B have not yet been adopted.
8.	Other: Community Covenants for Ward Village dated September 13, 2013 and recorded in said Bureau as Document No. A-50040794 and the By-Laws of Ward Village Owners Association recorded as part of the above as Exhibit E thereto.

Copies of the condominium and sales documents and amendments made by the Developer are available for review through the Developer or through the Developer's sales agent, if any. ## 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

### 5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.

(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

#### **5.8.2 Right to Cancel a Sales Contract if Completion Deadline is Missed**

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

#### **5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change**

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

## 6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

Capitalized terms used herein not otherwise defined shall have the definition set forth in the Declaration or the Bylaws.

1. **Common Expenses; Developer to Pay Actual Costs of Project.** The Developer may initially assume the actual Common Expenses of the Project, pursuant to Section 514B-41(b) of the Hawaii Revised Statutes ("HRS"), from the date upon which the certificates of occupancy are issued for Units within the Project. If the Developer initially assumes the actual Common Expenses, the Residential Unit owners shall not be obligated for the payment of their share of the Common Expenses until such time as the Developer sends to the owners a written notice that, after a specified date, the Unit Owners shall be obligated to pay for the portion of the Common Expenses that are allocated to their respective Units.
2. **Real Property Tax Assessment.** Developer shall be responsible for any real property taxes attributable to the Residential Units prior to closing. Any real property taxes paid in advance by Developer shall be prorated as a closing cost payable by purchaser pursuant to the purchase agreement for the purchase of a Unit.
3. **The Commercial Units and Commercial Limited Common Elements; Operations of Commercial Units.** The Commercial Units are located on Level 1 of the Project. The Developer intends on owning the Commercial Units and leasing them to third parties for commercial and retail activities that may be open to and accessible by the public. It is not guaranteed that the Commercial Units will continue to be used as retail space and/or be open for access by the public and/or other Unit Owners. The Commercial Unit Owner may consolidate and/or subdivide the Commercial Units into multiple Units pursuant to its right to do so in the Declaration. Services offered from the Commercial Units are not Project amenities. The Commercial Unit Owner may change the use of the Commercial Unit at its discretion, subject to any limitations set forth in the Declaration. Level 1 will also be utilized by the public and commercial vehicles to access the neighboring Ward Village Shops and existing parking structure on the remainder of the block.
4. **Commercial Limited Common Elements and Residential Limited Common Elements.** The Commercial Units, their undivided interest in the Common Elements, the Commercial Limited Common Elements and the Commercial Unit Limited Common Elements, as set forth in Exhibit "E" attached hereto, shall essentially comprise the "commercial portion" of the Project. The Residential Units, their undivided interest in the Common Elements, the Residential Limited Common Elements and the Residential Unit Limited Common Elements, as set forth in Exhibit "E" attached hereto, shall comprise the "residential portion" of the Project. The residential portion shall generally maintain and have the use of the areas that are Residential Limited Common Elements described in Exhibit "E" and designated on the Condominium Map and the commercial portion shall generally maintain and have the use of the Commercial Limited Common Elements described in Exhibit "E" and designated on the Condominium Map, unless otherwise specified in the Declaration.

The Residential Unit Class, comprised of all the Residential Unit Owners, is responsible for sharing in the cost and in making decisions for the Residential Limited Common Elements based on their Residential Unit Class Common Interest set forth in Exhibit "A." The Commercial Unit Class, comprised of all the Commercial Unit Owners, is responsible for sharing in the cost and in making decisions for the Commercial Limited Common Elements based on their Commercial Unit Class Common Interest set forth in Exhibit "A." The Class Common Interest is not an ownership

interest, but rather an interest used to calculate each Unit Owner's share of costs attributable to each class and allocation of voting interest on matters affecting the class. In addition, there are certain approval and consent rights held by the Commercial Director for certain improvements and alterations within the Residential Limited Common Elements and to the Residential Units in order to ensure the Project continues to meet the Project Quality Standard. The Purchaser should make careful review the Declaration and Bylaws to understand such consent and approval rights of the Commercial Director.

5. **Special Cost and Alternative Allocation for Common Expenses; Other Costs.** According to Hawaii Revised Statutes §514B-41, as amended, in a mixed-use project, common expenses may be allocated among the commercial units and residential units in a fair and equitable manner. The Declaration creates the concept of "Alternative Allocations" by which certain "Special Costs" are shared between the Residential Unit Class and the Commercial Unit Class, then shared among the individual owners through their Residential Class Common Interest and Commercial Class Common Interests, set forth in Exhibit "A." The Class Common Interest is not an ownership interest, but rather an interest used to calculate each Unit Owner's share of the Residential Unit Class Expense and Commercial Unit Class Expense (in addition to voting interests for Class issues). For instance, the Commercial Units may be responsible for the landscaping and water features surrounding the Project, which may be within the Commercial Limited Common Elements; however, since the Residential lobby and access points of the Tower and the entire development benefit from the ground floor landscaping and water features, the cost of maintenance of the landscaping and the water features may be an Alternative Allocation.

Exhibit "C" of the Declaration sets forth the Special Costs and Alternative Allocations shared between the Residential Unit Class and the Commercial Unit Class. The Alternative Allocation may not be amended without the consent of the Developer until the end of the Development Period, as defined in the Declaration, then the Association and the Commercial Unit Class are required.

Also, there may be other costs that are allocated based on efficiency and equity, rather than by a strict common interest or other allocation. For instance, there may be certain Unit Limited Common Elements that may be maintained by the Association or by the Unit Owners for which the cost of maintenance may be covered as a common expense. Purchasers should carefully review the estimated Budget and Initial Maintenance Fees in Exhibit "H" herein.

6. **Managing Agent; Commercial Managing Agent.** The Developer, acting as the Association, has retained Hawaiiana Management Company, Ltd. to handle fiscal and administrative management of the Project and physical management of the Residential Units and the Residential Unit Limited Common Elements. The Commercial Director may retain a manager to perform physical management of the Commercial Units and the Commercial Limited Common Elements, or the Commercial Unit owners will self-manage the Commercial Units and the Commercial Limited Common Elements.
7. **Ward Village; Master Planned Community.** The Project is one of multiple high-rise condominium projects anticipated to be developed as part of a master planned community called "Ward Village" by Victoria Ward, Limited, the "Master Declarant" or its affiliates. The Project will be part of this urban, mixed-use master development located in central Kaka'ako, City and County of Honolulu, Hawaii.

Being a part of "Ward Village," the Project is subject to the Community Covenants for Ward Village ("Master Declaration") and By-Laws of Ward Village Owners Association ("Master By-

Laws”) and the Ward Village Rules (“Master Rules”), as the same may be amended and/or supplemented from time to time, and all rules and regulations promulgated thereunder, including, without limitation, any assessments, voting rights, design restrictions and the design review process set forth therein, if applicable. By acquiring an interest in the Project, each Owner agrees to carefully review, observe and comply with all covenants, conditions, restrictions and other requirements to which the Project is subject under the Master Declaration and Master By-Laws, including memberships in the Ward Village Owners Association (“Master Association”) and the payment of such sums as may be assessed pursuant to such Master Declaration or Master By-Laws (“Master Assessments”) for the Project’s share of common expenses for Ward Village. Further, Developer shall have the reserved right, without the consent of any Owners or such Owners’ mortgagees, to amend the Declaration and to enter into any agreements and to grant easements and to do all things necessary and convenient to effect and implement the purposes of the Master Declaration, Master By-Laws and Master Rules and to execute, file and deliver any and all documents necessary to effect the same, including, but not limited to, any amendments to the Declaration and to the Condominium Map. This summary is not conclusive and the Master Declarant has other reserved rights and easements pursuant to the Master Declaration and Master By-Laws. Exhibit “N” contains a summary of the rights of the Mater Declarant pursuant to the Master Declaration, Master By-Laws and Master Rules.

8. **Hawaii Community Development Authority (HCDA); Kaka’ako Community Development District Mauka Area Plan Rules; Planned Development Permits and Agreements.** The Project is located within the Kaka’ako Community Development District and is subject to the jurisdiction of the Hawaii Community Development Authority (“HCDA”) and the District Mauka Area Plan Rules. The Project will be developed subject to and in compliance with the terms of various permits and agreements by and/or between the Master Declarant, the Developer, or Developer’s predecessors in interest, and HCDA (collectively, “HCDA Agreements”). Some of these HCDA Agreements impose certain responsibilities and limitations on owners within Ward Village pertaining to design, alteration and use of the master development areas. Exhibit “M” attached hereto contains a summary of the more salient permits and/or agreements. Purchasers, however, should review all agreements and permits noted on Exhibit “M” for a comprehensive understanding of such responsibilities and limitations.
9. **Resident Manager Unit.** The Developer is the Owner of Residential Unit 2-A, which is initially intended to be used as the Resident Manager’s Unit. The Developer may sell, pledge, lease, assign, convey, mortgage and/or transfer Unit 2-A to a third party or to the Association, in its sole discretion. This means that the Association may not have first preference to purchase the Resident Manager’s Unit and the Developer may relocate the Resident Manager to another Unit in the Project. The Developer does not guaranty, warrant or represent that Unit 2-A will continue to be used as a Resident Manager Unit or be utilized to serve the Project or its Owners.
10. **Security Disclaimer.** The Association and/or the Resident Manager may, but shall not be obligated to maintain or support certain activities within the Project designed to make the Project safer than it might otherwise be. Neither the Association, the Resident Manager nor Developer shall in any way be considered insurers or guarantors of security within the Project, and neither the Association, the Resident Manager, Developer, nor any successor Developer shall be held liable for any loss or damage by reason of failure to provide security or the ineffectiveness of security measures undertaken. The Association the Board, the Resident Manager, Developer or any successor Developer do not represent or warrant that any fire protection system or other security system designated or installed according to the guidelines established by Developer or the Association may not be compromised or circumvented, that any fire protection or burglar alarm systems or other security systems will prevent loss by fire, smoke, burglary, theft, hold-up,

terrorism or otherwise, nor that fire protection or burglar alarm systems or other security systems will in all cases provide the detection or protection for which the system was designed or intended. The Resident Manager, the Association, its Board and committees, Developer, or any successor Developer have made no representations or warranties nor has any Owner, his or her family, agents, transient guests, long-term guests, or other occupants of a Unit relied upon any representation or warranty, expressed or implied, including any warranty of merchantability as to the fitness of any alarm systems or other security systems recommended or installed, or any security measure undertaken within the Project.

11. **Nonliability for Square Footage Calculation.** There are various methods for calculating the square footage of a Unit, and that depending on the method of calculation, the quoted square footage of the Unit are approximate and may vary by more than a nominal amount. Additionally, as a result of field construction, other permitted changes to the Unit, and settling and shifting of Improvements, actual square footage of the Unit may also be affected. By accepting title to the Unit, the applicable Unit Owner(s) shall be deemed to have conclusively agreed to accept the size and dimensions of the Unit, regardless of any variances in the square footage from that which may have been disclosed at any time prior to closing, whether included as part of Developer's promotional materials or otherwise. The Developer does not make any representation or warranty as to the actual size, dimensions (including ceiling heights) or square footage of any Unit.
12. **Nonliability for Mold Development.** Mold and mold spores are present throughout the environment and residential condominium construction cannot practicably be designed to exclude the introduction of mold spores. All molds are not necessarily harmful, but certain strains of mold have been found to have adverse health effects on susceptible persons. Moisture is the primary mold growth factor that must be addressed. The Developer cannot ensure that mold and mold spores will not be present in the Project. The failure of an Owner or the Association to take steps to minimize mold growth may increase the risk of mold growth and mold spores being present in the Project. The Developer shall not be liable for any actual, special, incidental or consequential damages based on any legal theory whatsoever, including, but not limited to, strict liability, breach of express or implied warranty, negligence or any other legal theory, with respect to the presence and/or existence of molds, mildew and/or microscopic spores at the Project, unless caused by the sole gross negligence or willful misconduct of the Developer.
13. **Condominium Living; Residential-Commercial Mixed-Use Retail Area.** Living in a multi-story, mixed-use, high-rise condominium building entails living in very close proximity to other persons, businesses, restaurants, shopping areas and other apartments, with attendant limitations on solitude and privacy. Walls, floors and ceilings have been designed to meet applicable building codes. Owners will hear noise from adjacent Units within the Project, however, including, but not limited to, noise from showers, bathtubs, sinks, toilets or other sources of running water and/or plumbing fixtures. Also, Owners may hear noise from such items as the pool, vacuum cleaners, stereos or televisions, or from people running, walking, exercising, socializing or enjoying the Recreational Amenities on the Amenity Deck (both as defined in the Declaration). Finally, Owners can expect to hear substantial levels of sound, music, noise, odors, vibrations and other nuisances from retail and commercial establishments in the Project, the master planned community and/or in close vicinity of the Project, including, without limitation, the Ward Village Shops and other surrounding retail. Owners may also experience light entering the Units from commercial lighting in the vicinity and from street lights located in close proximity to the window and doors for the Units. Owners on lower floors within the Project located directly above such commercial and retail establishments (i.e., levels 2-6 which are directly above the Commercial Units) and close to the street will likely experience the most sound, music, noise, odor and vibrations from such commercial activity.

14. **Noise; Traffic.** Being located in a central shopping, entertainment and commuter district, noise, dust, vibration, and/or pedestrian and vehicular traffic are higher than average in the vicinity of the Project. Each Owner and every other person who has any interest in the Project or who has the right to use the Project or any part of it waives, releases and discharges any rights, claims or actions that such person may have, now or in the future, against the Developer, and their representatives, licensees, successors and assigns, and arising directly or indirectly out of or from such noise, dust, vibrations, and/or additional traffic, including, without limitation, construction and operation of the City and County of Honolulu ("County") planned elevated rail transit project, if constructed, which could be constructed adjacent to or in close proximity to the Project. Traffic, noises and uses which are typically encountered in a high-rise condominium commercial-residential mixed-use setting, including, but not limited to (1) transient noise and guest or pedestrian traffic from the street or the Commercial Unit Limited Common Elements or neighboring properties; (2) opening and closing of doors; (3) loud music from restaurants or other outlets, concert events or performances; (4) vehicular traffic from the street; (5) voices of people talking outside retail and/or food and beverage establishments; and (6) noises from special events taking place near the Property. Such noise shall not be deemed a nuisance, as such noises and/or uses are deemed to be common and accepted occurrences in a centrally located high-rise condominium mixed-use setting. Furthermore, normal construction activities shall not be considered to violate the terms and conditions of this Article.
15. **Views.** Each Owner acknowledges that there are no protected views in the Project, and the Units are not assured the existence or unobstructed continuation of any particular view. Any view from the Unit is not intended as part of the value of the Unit, and is not guaranteed, and the Developer makes no representation or warranty regarding the effect of the view on the value of a Unit. The views from the Unit or Project may likely change, be affected, or obstructed by (i) construction or installation of buildings, improvements, structures, walls and/or landscaping by the Developer or owners of property outside the Project; and/or (ii) the growth of trees, landscaping and/or vegetation within or outside the Project; and/or (iii) the planned elevated rail transit project described above, which may be located directly adjacent to the Project.
16. **Continuing Activities.** Each Owner understands and agrees that the Developer is engaged in a sales and development program and that certain elements of the Project may not be completed and completion of the improvement of such items may be deferred by Developer at its sole and absolute option; provided normal access and parking facilities are provided for the Units conveyed to third parties. As an integrated structure consisting of a variety of uses that may be changed from time to time, alterations, construction, remodeling, repair and changes of uses of portions of the Property may occur from time to time.
17. **Uses Changes.** Except as expressly set forth in the Condominium Documents, the Developer makes no representations or warranties with respect to the (a) nature of any improvements to be initially or subsequently contained in the Project, (b) the initial or subsequent uses of any portion of the Project, or (c) the services and amenities (and the costs of such services or amenities) which may be provided to Owners.
18. **Marketing Materials.** Any marketing materials used by the Developer in the promotion and sales of the Residential Units and of the Project shall not be a representation or warranty by the Developer of the Residential Unit layout, décor, coloring, furnishings or fixtures provided with the Unit or the types of amenities provided in the Project. The marketing materials are intended to give a purchaser a general idea of the standard and quality of the Project, and is not intended to

represent the precise décor, coloring, furnishing, fixtures or amenities that will be included in the Project.

19. **Condominium Map.** Nothing in the Condominium Map is intended to be or is a representation or warranty by the Developer. Typical type floor plans may have slight deviations as to the location of columns in the Unit, doors and fixtures. The layout and areas of the Units with typical depictions are intended to be consistent.
20. **Warranties.** The Developer is developing the Project but it is not the general contractor or an affiliate of the general contractor who built the Project. The Developer makes no warranties, express or implied, about the Units or the Project, or about consumer products or anything else installed or contained in the Units or the Project. This includes, but is not limited to, warranties of merchantability, habitability, workmanlike construction, fitness for a particular purpose, or sufficiency of design. All rights and interests in the Project are sold by the Developer “as is” and “where is”, with all defects, whether visible or hidden, and whether known or not known.
21. **Future Light Rail Route.** The Project is in the vicinity of the proposed future light rail route by the County, which may cause noise, dust, vibrations, traffic congestion and/or other inconveniences or nuisances associated with the development, construction and operation of such light rail transit system.
22. **Neighboring Burial Site; Potential Archeological Findings.** There is a burial site located on Lot 17, the Lot adjacent to the Project. The Developer’s predecessor in interest entered into an unrecorded Burial Treatment Plan with the Office of Historic Preservation of the Department of Land and Natural Resources of the State of Hawaii to preserve the burial site. By signing and accepting a deed to a Unit, the Owner will accept the existing of the burial site on neighboring Lot 17 and waives any claims or rights of action or suits against the Developer or the Developer's successors and assigns arising from any impairment of the buyer's use and enjoyment of the Unit or the Project, or from any inconvenience, arising directly or indirectly from the existing of the burial site. The entirety of the Land was not excavated. Therefore, there is the potential that remains may be inadvertently encountered during construction. Treatment of such findings will be determined as the time of any findings.
23. **Soil.** A Phase I Environmental Site Assessment on the Land identified a prior leaking underground storage tank on the Land. Remediation was completed and a “No Further Action” letter was issued by the regulatory agency on June 12, 1997. By acquiring a Unit in the Project each Owner will be deemed to acknowledge such Owner's understanding of this provision and the Developer shall not be liable for any actual, special, incidental or consequential damages based on any legal theory whatsoever, including, but not limited to, strict liability, breach of express or implied warranty, negligence or any other legal theory, with respect to the prior existence of such conditions on the Land.
24. **Flood Zone (AE).** The Project is located in a Flood Zone (Zone AE) per the City and County of Honolulu and as such, federal flood insurance may be required for the Project and/or the individual Units in the Project. Location in a flood zone exposes the Project to a greater risk of flood damage. The Developer intends to obtain a FEMA Flood Map exemption as a result of the ground level entrances into the Tower exceeding the minimum flood elevation applicable to the Project land, but Developer cannot assure that the Developer will be able to obtain such FEMA flood Map exemption. If the Developer does not obtain the exemption, then the federal flood insurance may be required.

25. **Trade Name.** The Developer created and registered a trade name for the Project, “Anaha.” The legal project name will continue to be “1108 Auahi,” however, the trade name, “Anaha,” will be used to sell and market the Project.
26. **Use of Guest Units.** The Developer intends to (but is not required to) develop the Guest Units in the Project as Residential Limited Common Elements to potentially be managed and controlled by the association and for use by the owners’ guests. The association shall be responsible for all costs associated with the Guest Units, including, without limitation, the maintenance fees associated with the Guest Units and the cost to upkeep and maintain the Guest Units. The association shall be permitted to perform rental of such units and collect any rental fees, as permitted by zoning and as permitted by law.
27. **Public Facilities Dedication for Public Purposes.** The Developer has dedicated for public purposes, use of portions of the Land (“Public Areas”) as described in Exhibit “B” to the Declaration of Restrictive Covenants (Public Facilities Dedication), dated May 15, 2014 and recorded as Document No. A-52480776 (“Declarations of Restrictive Covenants”). The Developer, however, may relocate the Public Areas to a different location on the Land or to another location with the consent of HCDA. The Public Areas shall be improved, maintained and used for public purposes commencing on the date that a certificate of occupancy is issued for the Project and shall continue in perpetuity unless said Declarations of Restrictive Covenants are repealed by the Developer with the consent of HCDA or are automatically terminated as to such portions of the Public Areas that are conveyed by perpetual easement or in fee to the City and County of Honolulu or the State of Hawaii. The Developer may assign its rights to maintain the Public Area to the Association. Currently, the Public Area is planned to be a landscaped and paved walkway area outside the parking structure.
28. **Archeological Data Recovery Area.** A portion of the Land (“Impacted Land”) is included in the Archeological Data Recovery Area as shown in the Final Archeological Preservation Plan for SIHP 50-80-14-6855, Victoria Ward Village Shops Project, dated January 2011 (“Preservation Plan”), and also shown on ALTA Survey Map prepared by Lance T. Stevens with Controlpoint Surveying, Inc. dated October 15, 2014. Said Impacted Land is subject to the requirements, restriction, and limitations set forth in the Declaration of Cultural Preserve Area and Archeological Data Recovery Area (to be recorded) and any further procedures pertaining to the Archeological Data Recovery Area outlined in the Preservation Plan (collectively, “Restrictions”). These Restrictions include an appropriate archeological data recovery investigation completed in the area of proposed disturbance prior to any ground disturbing activities on the Impacted Land that could potentially disturb the subsurface cultural layer (e.g. development and/or excavation). Surface uses that do not affect the subsurface cultural layer (e.g. surface parking, vehicular driveways, and pedestrian walkways), however, are permitted in the Archeological Data Recovery Area without the need for an investigation. The Impacted Land will be a part of the porte cochere driveway for the Project, off of Queen and Auahi Streets.

**The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.**

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

Unit C-2	Commercial	5618	35.491819%	1.201157%
<b>Commercial Total</b>		<b>15829</b>	<b>100.000000%</b>	<b>3.384343%</b>

**A. LAYOUT AND FLOOR PLANS OF UNITS.** Each Unit has the number of bedrooms and bathrooms noted above. The layouts and floor plans of each Unit are depicted in the Condominium Map. The Resident Manager Unit is Unit 2-A. The Units and the Tower do not contain a basement.

Note that Units types Penthouse A-SA, Penthouse A-SB, Penthouse B-SA and Penthouse B-SB have the option for the Developer to eliminate the third bedroom and replace it with a family room, as such option is depicted on the Condominium Map.

**B. APPROXIMATE NET LIVING AREAS.** The approximate net living areas of the Commercial Units and the Residential Units were determined by measuring the area between the interior finished surfaces of all perimeter and party walls at the floor for each Unit and includes the area occupied by load bearing and nonloadbearing interior walls, columns, ducts, vents, shafts, stairways and the like located within the Unit's perimeter walls. All areas are not exact and are approximates based on the floor plans of each type of Unit.

**C. COMMON INTEREST.** The Common Interest for each of the three hundred and fourteen (314) Units (including both the Commercial Units and the Residential Units) in the Project is calculated based on dividing the approximate net living area of the Unit by the total net living area of all the Units in the Project. In order to permit the Common Interest for all Units in the Project to equal exactly one hundred percent (100%), the Common Interests attributable to Commercial Unit C-2 was decreased by 0.000012%.

**D. COMMERCIAL UNIT CLASS COMMON INTEREST AND RESIDENTIAL UNIT CLASS COMMON INTEREST.** The Commercial Unit Class Common Interest is calculated for each Commercial Unit in a fair and equitable manner. The Residential Unit Class Common Interest is calculated based on dividing the approximate net living area of the Residential Unit by the total net living area of all Residential Units in the Project. In order to permit the Residential Unit Class Common Interest to equal one hundred percent (100%), the Residential Unit Class Common Interest attributable to Residential Unit 2-A increased by 0.000022%.

**E. PARKING STALLS, PARKING GARAGES, STORAGE ROOMS AND STORAGE LOCKERS.** The Condominium Map depicts the location, type and number of parking stalls in the Project. Each Residential Unit has at least one (1) Unit Limited Common Element parking stall. Some Residential Units also have as a Unit Limited Common Element, a one (1) stall parking garage, as identified above. Other numbered parking stalls (including guest parking stalls) not otherwise identified above as a Unit Limited Common Element to a specific Unit are Unit Limited Common Elements appurtenant to the Resident Manager Unit, Residential Unit 2-A. All storage rooms and storage lockers identified on the Condominium Map with an "L" and a number (storage locker) or "S" and a number (storage room) are Unit Limited Common Elements appurtenant to the Resident Manager Unit, Residential Unit 2-A, unless otherwise assigned to another Unit as a Unit Limited Common Element above. The Developer has the reserved right to redesignate such parking stalls, parking garages, storage rooms and storage lockers currently designated as Unit Limited Common Elements appurtenant to Resident Manager Unit, Residential Unit 2-A, to other Residential Units in the Project as Unit Limited Common Elements appurtenant to such other Residential Units.

**F. PENTHOUSE UNITS; LANAIS AND ROOF TERRACES.** Certain Residential Units have a lanai, the areas of which are noted above and as depicted on the Condominium Map. Penthouse Units G PH-A and G PH-B each have a roof Terraces as depicted on the Condominium Map, the approximate areas of which are set forth below:

	<u>Roof Terrace Area</u>
G PH-A	Approx. 1110 sq. ft.
G PH-B	Approx. 915 sq. ft.

### PERMITTED ALTERATIONS TO RESIDENTIAL UNITS

Capitalized terms have the same meaning ascribed to such terms in the Declaration.

A. **IN GENERAL.** The provisions in the Declaration regarding permitted alterations applies, except as otherwise provided by the federal Fair Housing Act (42 U.S.C. Sec. 3601 et seq.), as amended by the Fair Housing Amendments Act of 1988, and the rules and regulations adopted under it, as either of them may be amended from time to time ("FHA") and except as otherwise provided in the Declaration. The provisions in the Declaration, however, do not apply to changes made by the Developer when exercising the Developer's Reserved Rights. Neither the Association nor any Owner may make any structural changes or additions to the General Common Elements, Units, or the Limited Common Elements that is different in any material respect from the Condominium Map, except pursuant to any requisite vote by the Association and amendment of the Declaration, or as otherwise set forth in the Declaration or in the Bylaws. Any such restoration, replacement, construction, alteration or addition must be made in accordance with complete plans and specifications that are first approved by the Board in writing, including the Commercial Director. Promptly after the work is completed, the Association, the Developer or the Unit Owner must record the amendment along with any necessary changes to the Condominium Map. This paragraph A. does not apply to "nonmaterial structural additions to the Common Elements" as that term is used in Section 514B-140 of the Act. Nothing in this paragraph A. 1) authorizes any work or change that would jeopardize the soundness, safety or structural integrity of any part of the Project; 2) authorizes any work or change by a Residential Unit Owner that would materially change the uniform external appearance of the Project without the approval of the Board and the consent of the Commercial Director; 3) authorizes any work or change by the Board that would materially change the exterior of the Parking Structure or Tower without the consent of the Commercial Director; 4) prohibits the Board from making or requiring that an Owner make changes within any Unit or Unit Limited Common Element as needed to comply with the fire code and all other laws that apply to the Project; and 5) prohibits the Developer from completing the initial Project construction and improvements.

B. **BY RESIDENTIAL UNIT OWNERS.** Owners of Residential Units are not allowed to change or cause a change to the exterior of the Residential Units, or the Residential Limited Common Elements (including, without limitation, the installation of any type of signage), or Residential Unit Limited Common Elements without the prior written approval of the Board pursuant to Section XI.E of the Declaration, and the Developer, during the Development Period. The Developer, in its exercise of its Developer's Reserved Rights, shall not require the approval of the Board.

Each Residential Unit Owner has the right, subject to the terms and provisions in the Condominium Documents and the approvals required above, which approvals shall not be unreasonably withheld or delayed, to make any of the following changes, additions and improvements solely within the Owner's Residential Unit or within its Residential Unit Limited Common Elements that are appurtenant to such Residential Units at the Owner's sole cost and expense:

1. To install, maintain, remove and rearrange non load-bearing partitions and walls from time to time within the perimeter walls of the Residential Unit; provided that the initial enclosed living area of any Residential Unit (as depicted on the Condominium Map) shall not be increased, including without limitation through the full or partial enclosure of any exterior lanai, if any;

2. To finish, change or substitute any plumbing, electrical or other fixtures attached to the ceilings, floors or walls, as appropriate, for the use of the Residential Unit or its Unit Limited Common Element;

3. To make such changes, additions and improvements to the Residential Unit or appurtenant Unit Limited Common Element to facilitate handicapped accessibility within the Residential Unit or Unit Limited Common Element;

4. To consolidate two (2) or more Residential Units owned by the same Owner, provided that any intervening walls removed are not load-bearing or structural walls, and to install doors and other improvements in the intervening wall and/or make other reasonable additions. The Residential Unit Owner must ensure that the structural integrity of the Residential Unit, Limited Common Elements and the building will not be adversely affected; the finish of the remaining Common Element improvements are restored to substantially the same condition as prior to removal; and all construction activity is completed within a reasonable time. The Common Interest and Residential Unit Class Common Interest appurtenant to the single consolidated Unit shall equal the total of the Common Interest for the original Units and shall not affect the Common Interest appurtenant to any other Unit.

**C. BY COMMERCIAL UNIT OWNERS.** In addition to any Developer's Reserved Rights set forth herein, Owners of the Commercial Units shall have the right to change the exterior appearance of the Commercial Units, their Commercial Unit Limited Common Elements and the non-load-bearing walls and partitions within the Commercial Units to change the configuration, size and appearance of entrances and windows, facade and storefronts of the Commercial Units and their appurtenant Commercial Unit Limited Common Elements, without the approval of the Board as follows:

2. To finish, change or substitute any plumbing, electrical or other fixtures attached to the ceilings, floors or walls as appropriate for the use of the Commercial Unit or Commercial Unit Limited Common Elements;

6. To consolidate two (2) Commercial Units owned by the same Owner; provided that any intervening walls removed are not load-bearing or structural walls, and to install doors, stairways and other improvements in the intervening wall and/or make other commercially reasonable additions. The Commercial Unit Owner must ensure that the structural integrity of the Commercial Unit, Commercial Unit Limited Common Element and the building will not be adversely affected; the finish of the remaining Common Element improvements are restored to substantially the same condition as prior to removal; and all construction activity is completed within a reasonable time. The Common Interest of

any newly-created Commercial Unit shall be the aggregate of the two (2) initially separate Commercial Units;

7. Subject to any zoning or building code requirements, each Commercial Unit Owner has the right to subdivide the Commercial Unit to create two (2) or more Units, designate which Unit Limited Common Elements of the subdivided Unit will be appurtenant to the Units resulting from the subdivision, and convert parts of the existing Commercial Unit to Common Element status to facilitate the subdivision. The total of the Common Interest for the newly-created Commercial Units must be equal to the Common Interest of the Commercial Unit that was subdivided. If the Commercial Unit Owner subdivides the Commercial Units, the Commercial Unit Owner can decide whether one or more than one resulting Commercial Unit will have any special rights or easements of the original Commercial Unit under the Declaration, or it can divide some or all of those rights among the resulting Commercial Units.

Any material addition or alteration to a Commercial Unit or Commercial Limited Common Element shall require the approval of the Board only if the proposed addition or alteration, as reasonably determined by a majority of the Board, could jeopardize the soundness or safety of the Project, impair any easement, or interfere with or deprive any non-consenting Owner of the use or enjoyment or structural integrity of any part of the General Common Elements. The issuance of a building permit by the County for the material addition or alteration shall be conclusive evidence that the addition or alteration would not jeopardize the soundness, safety or structural integrity of the Property.

In such instance, the Commercial Unit Owner, as landlord, may have priority to first lawfully exercise its rights under the lease against such tenant.

**3. SEPARATE MORTGAGES.** Each Owner shall have the right to mortgage or to otherwise encumber all, but not less than all, of such Owner's Unit. Any mortgage shall be subordinate to all of the provisions of the Condominium Documents and, in the event of foreclosure, the provisions of the Condominium Documents shall be binding upon any Owner whose title is derived through foreclosure by private power of sale, judicial foreclosure or otherwise. **5. PROHIBITION ON ACTIVITIES THAT MAY JEOPARDIZE THE PROJECT.**

No Unit Owner shall do or suffer or permit anything to be done or kept on or in any Unit or appurtenant Unit Limited Common Element or elsewhere on the Project that will: (1) injure the reputation of the Project; (2) jeopardize the safety, soundness or structural integrity of the Improvements in the Project; (3) create a nuisance or interfere with or unreasonably disturb the rights of other Owners and Occupants; (4) reduce the value of the Project; (5) increase the rate of insurance applicable to the Units or the contents thereof, or to the Project; (6) violate any applicable law, ordinance, statute, rule or regulation of any local, county, state or federal government or agency thereof; (7) cause the violation of any conditions or restrictions or covenants, agreement(s) entered into for the benefit of the Project; and/or (8) result in the cancellation of insurance applicable to the Project or adversely affect the right of recovery thereunder or result in reputable companies refusing to provide insurance as required or permitted by the Bylaws. Any insurance increase caused by a Residential Unit shall become a Residential Unit Class Expense and any increase caused by a Commercial Unit shall be paid by the Owner of such Commercial Unit.

**B. USE OF PARKING STRUCTURE.** The Parking Structure shall be used for access, parking and any other purposes permitted by the Declaration, the Bylaws and House Rules. The Association shall be prohibited from reducing the total number of parking stalls, handicap parking stalls, guest stalls and/or loading stalls or areas located at the Project, without the prior written approval of the Developer. The Parking Structure contains General Common Elements, Residential Limited Common Elements, Commercial Limited Common Elements, and Unit Limited Common Elements, as well as Commercial Units on its ground floor. Notwithstanding the foregoing, the Board shall have the authority, but not the obligation, to permit a home-based business to be maintained within a Residential Unit which does not meet one or more of the requirements set forth above, which permission may be withdrawn at any time in the sole discretion of the Board. Nothing contained in this shall be construed to prohibit the Developer from (a) the use of any Residential Unit owned by the Developer for promotional or display purposes, such as for a model home,

a sales and/or construction office, or for any other lawful purpose for development, construction and/or marketing and sales of the Residential Units in the Project.

3. **UNSIGHTLY ARTICLES.** Portions of a Residential Unit and its appurtenant Unit Limited Common Elements that are visible from the exterior of the Residential Unit must be kept in an orderly condition so as not to detract from the neat appearance of the Project. Other than as permitted in the House Rules, no items may be stored upon any lanai or terrace appurtenant to a Residential Unit without the prior approval of the Board. To maintain a uniform and attractive exterior appearance for the Project, Residential Unit Owner-installed window coverings must include a backing of an off-white color and must be of a type and general appearance approved by the Board. Residential Unit Owners may not, without the prior written approval of the Board, apply any substance, material or process to the exterior or interior surfaces of the Residential Unit's windows that may alter the exterior color, appearance or reflectivity of the windows. The Board, in its sole discretion, may determine whether the portions of a Residential Unit visible from the exterior of the Residential Unit are orderly. The Board may have any objectionable items removed from the portions of a Residential Unit that are visible from the exterior of the Unit so as to restore their orderly appearance, without liability therefore, and charge the Residential Unit Owner for any costs incurred in connection with such removal.

The restrictions set forth above shall be read broadly, and, among other things, shall encompass any type of plan, the nature of which causes Residential Units to be utilized by persons who have either joined a plan or program as a member or whose use is derivative of someone who has joined a plan or program as a member. Determination by the Association, the Resident Manager, or the Managing Agent that a violation of this provision exists shall be binding on the violating Owner, and the Board may promulgate and effectuate additional rules, regulations, procedures, and processes for enforcement of this provision, including but not limited to any surcharge or other charge or assessment that the Board shall

solely determine. This provision in the Declaration shall not be terminated or amended without the prior written approval of the Developer, to the extent permitted by applicable law.

5. **USE OF RECREATIONAL AMENITIES; AMENITY DECK.** The Recreational Amenities for the Residential Units is located on the seventh (7<sup>th</sup>) floor of the Tower, above the Parking Structure ("**Amenity Deck**"), and is a Residential Limited Common Element. The Developer shall have the option, at its sole discretion, to add to, reconfigure, resize, relocate and/or remove any or all of the Recreational Amenities, which may in turn increase or decrease the Common Expenses and, consequently, affect maintenance fees. This provision in the Declaration shall not be considered a representation and/or warranty of the Developer that any or all of the Recreational Amenities will be built, located on the Amenity Deck, and/or offered to Owners, or that Recreational Amenities will be built at all.

**D. COMMERCIAL UNITS AND UNIT LIMITED COMMON ELEMENTS AND COMMERCIAL LIMITED COMMON ELEMENTS.**

1. **COMMERCIAL USE.** The Commercial Units shall be operated and used only for "commercial" purposes or uses, as such term is described in the Mauka Area Rules (Title 15, Subtitle 4, Chapter 22 of the Hawaii Administrative Rules) established by the Hawaii Community Development Authority ("**HCDA**"), as amended from time to time. **CERTIFICATE**

I, the undersigned, duly sworn on oath, depose and affirm as follows:

1. I am the President for Hawaiiana Management Company, Ltd., a Hawaii corporation, designated by the Developer of the 1108 Auahi condominium project (the "Project") to act as the Managing Agent for the management and administration of the Project.

2. The project is located in a Flood Zone and as such, federal flood insurance is required for the Project and/or individual units in the Project. The Developer has informed Hawaiiana Management Company, Ltd. that it intends to obtain a FEMA Special Exemption given the minimal value situated below the flood elevation. The budget has been prepared assuming that the FEMA Special Exemption shall be approved. If said Special Exemption is not approved, then the Association may be required to purchase Federal Flood Insurance which could significantly affect the monthly maintenance fees.

3. Attached hereto is a true and correct copy of the projected budget for the Project. The estimates contained therein, including the maintenance fee assessments and disbursements, are based upon and in reliance on the assumptions, expense and income data provided by the Developer along with information gathered by the Managing Agent from projects of comparable size and character. The estimated figures do not account for inflation, market adjustments, future utility rate changes, future insurance premium rate changes or other unanticipated events, including but not limited to, acts of government, acts of God, terrorism or war. In addition, the projected budget is based upon and in reliance on discussions with the Developer.

4. I hereby certify that the breakdown of the annual maintenance charges and the monthly estimated cost for each unit in the Project, as attached hereto and hereby incorporated herein by reference, were determined in accordance with Section 514B-148 of the Hawaii Revised Statutes and Chapter 107 of the Hawaii Administrative Rules, and that the Managing Agent made a good faith effort to calculate such estimates for the one-year period commencing October 2014, based on generally accepted accounting principles.

5. As permitted pursuant to Section 514B-148(b), new associations need not collect estimated reserves until the fiscal year which begins after the association's first annual meeting. The Developer has not conducted a reserve study for the Project. The budget amount for Reserves is an estimate only.

6. The Budget has been prepared on a cash basis.

7. The estimated maintenance fees do not include Buyer's obligation for payment of Electricity Charges for Unit Usage or mandatory cable/Internet charges.

## EXHIBIT "I"

### SUMMARY OF PURCHASE AGREEMENT & DEPOSIT RECEIPT

Capitalized terms have the same meaning as ascribed to such terms in the Purchase Agreement & Deposit Receipt ("Purchase Agreement").

The specimen Purchase Agreement, filed with the State of Hawaii Real Estate Commission, provides for, among other things, a description of the Unit to be sold, the purchase price, the closing costs, the time, manner and place of payment, the Purchaser's obligations regarding financing, the Seller's warranties and disclaimers regarding the Condominium Map and the Project, and the remedies of the Seller and of the Purchaser in the event of a default under the Purchase Agreement.

Among other provisions the specimen Purchase Agreement provides:

1. Prior to execution of the Purchase Agreement, Purchaser shall receive: (i) a true copy of the Public Report for the Project, either personally or by registered or certified mail with return receipt requested, the recorded Declaration, recorded Bylaws, House Rules and Condominium Map, or provided written notice to examine the map, and the Notice of Right to Cancel advising Purchaser of Purchaser's right to cancel the Purchase Agreement, the delivery of which is required by Hawaii Revised Statutes, Section 514B-86, and (ii) a copy of the federal Property Report. Purchaser shall also have been given an opportunity to read said report(s).

2. Purchaser may cancel the Purchase Agreement within thirty (30) days of Purchaser's receipt of the Public Report ("Rescission Period"). It is understood that Purchaser may, at any time after Purchaser's receipt of the Notice of Right to Cancel and the documents described in 1. above and of Purchaser's execution of the Purchase Agreement, waive Purchaser's right to cancel the Purchase Agreement. If Purchaser shall fail to execute the Notice of Right to Cancel within thirty (30) days of Purchaser's receipt of the Public Report, Purchaser shall be deemed to have waived Purchaser's right to cancel the Purchase Agreement (by Purchaser's failure to give said written notice of cancellation). The conveyance of the Unit to the Purchaser within the thirty (30)-day period referenced above shall also be treated as a waiver by Purchaser of Purchaser's right to cancel the Purchase Agreement.

3. Notwithstanding the foregoing, pursuant to the federal Interstate Land Sales Full Disclosure Act, Purchaser shall have the option to cancel the Purchase Agreement by notice to the Seller until midnight of the seventh (7<sup>th</sup>) day following the signing of the Purchase Agreement by Purchaser. If Purchaser does not receive a federal Property Report prepared pursuant to the rules and regulations of the federal Bureau of Consumer Financial Protection, in advance of Purchaser signing the Purchase Agreement, the Purchase Agreement may be cancelled by Purchaser for two-years from the date of signing by Purchaser. The foregoing seven (7) day rescission period provided pursuant to the federal Interstate Land Sales Full Disclosure Act shall commence upon Purchaser's execution of this Purchase Agreement and may run concurrent with the thirty (30)-day rescission period provided pursuant to Hawaii law, as discussed above.

4. Seller shall complete construction of the Unit to permit normal occupancy of the Unit within five (5) years from the date Purchaser signs a binding contract ("Completion Deadline"). If the Project is not completed by the Completion Deadline, subject to causes of *force majeure*, Purchaser may cancel his or her Purchase Agreement at any time thereafter and Purchaser shall be entitled to a prompt refund of all monies paid, plus any interest earned thereon, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5. The Seller has entered into an Escrow Agreement, summarized in Exhibit "J" herein, with Title Guaranty Escrow Services, Inc. ("Escrow"), covering the deposit with Escrow of all funds paid by the Purchaser under the Purchase Agreement and the disbursement of the funds by Escrow. Escrow may charge a cancellation fee on account of escrow services performed not to exceed \$250.00.

6. The Purchase Agreement requires the Purchaser to pay the Total Purchase Price by a series of payments prior to Closing, including an initial payment when Purchaser signs the Purchase Agreement, a second deposit and a third deposit. Purchaser shall then deposit the remaining balance due on the Date of Pre-Closing or four (4) business days prior to the Scheduled Closing Date, subject to loan requirements set forth in the Purchase Agreement. Seller may also assess a late fee up to 12% per annum.

7. Before expiration of the Rescission Period, Purchaser must submit to Seller Financial in form and content acceptable to Seller (in Seller's sole discretion) pursuant to Section E.5 of the Purchase Agreement.

8. If Purchaser is obtaining mortgage financing, Purchaser represents and understands that Purchaser is solely responsible for securing such financing.

PURCHASER'S OBLIGATIONS UNDER THE PURCHASE AGREEMENT ARE NOT CONTINGENT OR CONDITIONED ON PURCHASER'S ABILITY TO SECURE FINANCING FROM A MORTGAGE LENDER OR ON PURCHASER'S ABILITY TO SELL PURCHASER'S CURRENT RESIDENCE OR ANY OTHER PROPERTY OR ASSETS OR ON OBTAINING A DESIRED INTEREST RATE. The sale and purchase of the Unit is not contingent upon Purchaser's ability to retain the interest rate quoted at the time of approval of Purchaser's Financial Data and Purchaser will be required to pay the interest charged by Purchaser's lender at the Close of Escrow. No financing by Seller of any portion of the Purchase Price is available.

9. The Purchase Agreement provides that Purchaser may earn interest on Purchaser's deposits, pursuant to the requirements and limitations as set forth in the Purchase Agreement.

10. The Purchase Agreement provides that Purchaser will pay a non-refundable, non-transferable "start-up" fee for the Association of Unit Owners in an amount of two (2) month's estimated maintenance fees for the Unit; plus one (1) month's estimated maintenance fees for the Unit as an advance payment for the initial month's maintenance fees payable by a Unit Owner. These start-up fees are one-time assessments at Closing and are not advance payments of common expenses or assessments, and shall be in addition to the normal monthly assessments. In addition, Purchaser is responsible for all closing costs in connection with the sale, including, without limitation, the escrow fee, cost of a preliminary title report, cost of preparation of the Unit Deed, cost of establishing separate escrow account(s), real property tax prorations and other customary prorations, all acknowledgment fees, conveyance and transfer taxes of all types, title insurance, if requested by Purchaser, cost of any lender's title insurance, appraisal fees, costs for drafting of any notes and mortgages, all recording costs or fees, the cost of drafting any revisions or addenda to this Purchase Agreement, loan fees, credit report costs and all other applicable mortgage costs, provided that it is understood that this sale is not subject to or conditioned upon Purchaser obtaining a loan.

11. Regardless of the status of construction of the Project and in order to accommodate a bulk closing or series of bulk closings of the Units by Seller, Seller intends to pre-close a bulk number of units from time to time, upon not less than thirty (30) calendar days' prior written notice to Purchaser (the "Seller's Pre-Closing Notice"). Seller's Pre-Closing Notice may establish a schedule with differing dates for certain requirements for the pre-closing to be met by Purchaser. Purchaser shall execute all necessary documents for such pre-closing, including irrevocable escrow instructions, and deposit the same with

Escrow no later than the date specified in Seller's Pre-Closing Notice, and Purchaser further agrees to pay into Escrow all sums due from Purchaser at closing, excluding only any loan proceeds, if applicable, upon the date specified in Seller's Pre-Closing Notice.

12. Purchaser or Purchaser's agent shall inspect the Unit on a date and at a time specified by Seller in a written notice to Buyer. Upon completion of such inspection, Buyer agrees to sign or to cause its agent to sign an inspection checklist to be furnished by Seller or the contractor which shall list all defects or damages to the Unit, if any. If Buyer or its agent does not inspect the Unit, Buyer hereby appoints the Architect, or Seller or any agent of Seller, to so inspect the Unit and to execute said inspection sheet on behalf of Buyer. Buyer agrees to accept possession of the Unit despite the existence of defects or damages to the Unit, including appliances, which do not render the Unit uninhabitable. Seller will cooperate with and assist Purchaser in having legitimately-listed defects or damage corrected or repaired within a reasonable time thereafter.

13. Purchaser authorizes Seller to make, and Purchaser hereby specifically approves, the following changes to the Project Documents and the Project after the Effective Date:

A. Any such changes as may be required by law, any title insurance company, lender, or governmental agency; provided, however, that such changes shall not constitute a change in the Project which directly, substantially and adversely affects the use or value of the Unit or the Limited Common Elements appurtenant thereto or the amenities of the Project available for Purchaser's use; and is not made pursuant to a right reserved to Seller under the Declaration ("Material Change"), or increase the Total Purchase Price.

B. Any non-Material Changes which the Seller or the Project Architect, in their sole and absolute discretion, deem appropriate, to the Common Elements, including, without limitation, the roadways, parking areas, and landscaping or any changes for reasons related to financial feasibility, efficiency, or aesthetics; furthermore, the Project Architect may increase or decrease the thickness of any foundation, wall, column or floor slab, or make other changes to Seller's Plans and Specifications (as defined and discussed further in Section E.26 of the Purchase Agreement), which could result in the dimensions of Purchaser's Unit or any appurtenant Limited Common Element thus affected becoming smaller or larger, or resulting in a building height or elevation different from that shown on the Condominium Map or stated in the Declaration or the Public Report; provided that the variance in the net living area of the Unit shall not exceed two percent (2%) of the net living area represented in the Project Documents. Further, the Project Architect may make changes necessary to correct any design errors or shortcomings.

C. Any Material Change made while Purchaser is under a binding Purchase Agreement; provided that applicable rescission rights shall be given to Purchaser in accordance with Section 514B-87 of the Hawaii Revised Statutes, as amended, as further described in Section E.29 of the Purchase Agreement.

D. Any changes made pursuant to the rights reserved by Seller as Developer under the Declaration, as more fully explained in Section E.14.c. of the Purchase Agreement.

14. The Purchase Agreement provides that it shall not be construed as a present transfer of any rights or of any interest in the Unit, but rather states that it is an agreement to transfer in the future. By execution of the Purchase Agreement, the Purchaser agrees to waive, relinquish and subordinate the priority or superiority of any lien or other legal or equitable interest arising under the Purchase Agreement in favor of the lien or charge on the Project of the security interests of the Lender, including but not

limited to any lien, mortgage or charge securing a loan made to finance the acquisition of the land and the costs of construction (if applicable) and any and all advances therefore until the filing of the Unit Deed.

15. The Purchase Agreement generally provides that it may not be assigned by Purchaser. See Purchase Agreement for definition of what constitutes an "assignment." Any assignment of the Purchase Agreement is void and of no legal effect. Notwithstanding the foregoing, Purchaser may assign its rights under the Purchase Agreement to affiliated entities for estate planning purposes without the consent of Seller, provided that any such assignment shall not release Purchaser from its obligations under the Purchase Agreement. In the event that Purchaser decides to make such an assignment for estate planning purposes, Purchaser shall provide written notice thereof to Seller at least fifteen (15) days prior to the Closing Date, as defined in the Purchase Agreement, and shall provide to Seller copies of such documents as Seller, in its sole and absolute discretion, deems necessary to complete Closing.

16. The Purchase Agreement provides that any dispute by or between Seller and Purchaser arising out of or incident to the Purchase Agreement, or the development or management of the Project, the sale of the Unit or the use or occupancy thereof, or any other aspect of the relationship between Seller and Purchaser regarding the Project which is raised or otherwise asserted after Closing shall be submitted to mediation and, if necessary, to arbitration in accordance with the terms, conditions and procedures set forth in the Purchase Agreement. The Purchase Agreement also provides that any dispute by or between Seller and Purchaser arising out of or incident to the Purchase Agreement that is raised or otherwise asserted before Closing need not be submitted to arbitration, and Seller and Purchaser shall be free to pursue such dispute, as otherwise provided herein, in proceedings in a court of competent jurisdiction, provided that any judicial proceedings initiated shall be conducted in Honolulu, Hawaii.

17. PURCHASER ACKNOWLEDGES AND AGREES THAT, UPON ISSUANCE OF AN EFFECTIVE DATE FOR THE PUBLIC REPORT BY THE COMMISSION, SELLER'S SUBMISSION TO THE COMMISSION OF THE INFORMATION REQUIRED UNDER SECTION 514B-92 OF THE ACT, AND ESCROW'S RECEIPT OF A LETTER FROM SELLER STATING THAT PURCHASER HAS AFFIRMATIVELY WAIVED OR IS DEEMED TO HAVE WAIVED HIS/HER RIGHT TO CANCEL THIS SALES CONTRACT, AND STATING FURTHER THAT PURCHASER'S RIGHTS TO RESCIND HAVE TERMINATED, SELLER IS AUTHORIZED TO USE PURCHASER'S DEPOSIT IN ESCROW FOR THE CONSTRUCTION OF THE PROJECT AND FOR OTHER EXPENSES OF THE PROJECT, AS SET FORTH IN THE ESCROW AGREEMENT AND IN ACCORDANCE WITH HAWAII STATUTORY REQUIREMENTS PERTAINING TO THE USE OF PURCHASER'S FUNDS PRIOR TO CLOSING. PURCHASER AGREES TO THE USE OF PURCHASER'S DEPOSIT FOR SUCH PURPOSES IN ACCORDANCE WITH THE ESCROW AGREEMENT, AND DIRECTS ESCROW TO DISBURSE SUCH FUNDS UPON DIRECTION FROM SELLER, SELLER'S LENDER OR AN OTHERWISE QUALIFIED FINANCIALLY DISINTERESTED PERSON. SELLER HAS NO OBLIGATION TO PAY INTEREST TO PURCHASER ON ANY FUNDS USED BY SELLER FOR THOSE PURPOSES PERMITTED BY LAW. PURCHASER FURTHER ACKNOWLEDGES THAT ANY ATTEMPT BY PURCHASER TO PREVENT SELLER FROM USING PURCHASER'S FUNDS OR TO PREVENT ESCROW FROM DISBURSING PURCHASER'S FUNDS AS PERMITTED UNDER THE ACT AND THE ESCROW AGREEMENT MAY RESULT IN ADDITIONAL COSTS, DELAYS, AND OTHER DAMAGES TO SELLER. ACCORDINGLY, ANY SUCH ACTIONS BY PURCHASER SHALL CONSTITUTE A BREACH OF THIS SALES CONTRACT. SELLER MAY PURSUE LEGAL ACTION FOR ANY ACTUAL AND CONSEQUENTIAL DAMAGES CAUSED BY REASON OF PURCHASER'S ACTIONS IN VIOLATION HEREOF. SELLER AND PURCHASER HEREBY IRREVOCABLY INSTRUCT ESCROW TO MAKE DISBURSEMENTS FROM PURCHASER'S DEPOSITS AS MAY BE PERMITTED BY THE ESCROW AGREEMENT. SELLER AND PURCHASER HEREBY AGREE THAT ESCROW IS RELIEVED FROM ALL LIABILITY FOR ACTING IN ACCORDANCE

WITH THE TERMS OF THIS SECTION, NOTWITHSTANDING A NOTICE TO THE CONTRARY BY SELLER, PURCHASER, OR ANY OTHER PARTY OR THIRD PERSON; PROVIDED, HOWEVER, THAT ESCROW SHALL NOT BE RELIEVED FROM ANY LIABILITY ARISING OUT OF OR IN CONNECTION WITH ITS OWN INTENTIONAL, GROSS NEGLIGENCE, OR RECKLESS ACTS OR OMISSIONS.

**SELLER AND PURCHASER AGREE TO PAY ESCROW ON DEMAND AND TO INDEMNIFY AND HOLD ESCROW HARMLESS FROM AND AGAINST ALL COSTS, DAMAGES, JUDGMENTS, ATTORNEYS' FEES, EXPENSES, OBLIGATIONS, AND LIABILITIES OF EVERY KIND AND NATURE REASONABLY SUFFERED OR INCURRED IN CONNECTION WITH OR ARISING OUT OF THE DISBURSEMENT OF PURCHASER'S DEPOSITS (EXCEPT THOSE ARISING FROM THE GROSS NEGLIGENCE OR RECKLESS ACTS OR OMISSIONS OF ESCROW). UPON PAYMENT THEREOF, THE PREVAILING PARTY WILL BE SUBROGATED TO ESCROW'S RIGHT TO JUDGMENT FOR SAID COSTS, DAMAGES, JUDGMENTS, ATTORNEYS' FEES, EXPENSES, OBLIGATIONS, AND LIABILITIES OF EVERY KIND AND NATURE AGAINST THIRD PERSONS.**

\* \* \* \* \*

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS OR DISCLOSURES CONTAINED IN THE PURCHASE AGREEMENT. THE PURCHASE AGREEMENT CONTAINS OTHER DISCLOSURES ABOUT THE CHANGES THAT MAY BE MADE BY DEVELOPER IN THE PROJECT AND ABOUT OTHER ITEMS AFFECTING ENJOYMENT AND USE OF THE PROJECT. AS SUCH, THIS SUMMARY IS A GENERAL SUMMARY OF SOME OF THE PURCHASER'S RIGHTS AND OBLIGATIONS UNDER THE PURCHASE AGREEMENT, PURCHASER MUST REFER TO THE PURCHASE AGREEMENT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PURCHASE AGREEMENT, THE PURCHASE AGREEMENT WILL CONTROL.

## **EXHIBIT "J"**

### **SUMMARY OF ESCROW AGREEMENT**

Capitalized terms have the same meaning as ascribed to such terms in the Escrow Agreement for the Project dated September 13, 2013 ("Agreement"), as amended, contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. As and when Seller shall enter into a Purchase Agreement & Deposit Receipt ("Purchase Agreement") for the conveyance of a Unit or other interest in the Project, it shall require the payments of deposits due thereunder to be promptly made to Escrow. Seller shall deliver an executed copy of the Purchase Agreement to Escrow together with the name(s) and address(es) of the purchaser as noted on the Reservation Agreement or Purchase Agreement or otherwise as updated by the purchaser with Seller as being purchaser's last known address.

B. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under the Purchase Agreement, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. Escrow shall not at any time commingle or permit the commingling of any purchaser's funds with funds belonging to or held for the benefit of Seller. All funds and instruments received from purchasers or prospective purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A and/or Chapter 514B of the Hawaii Revised Statutes, as applicable ("Act"). All monies received by Escrow shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in a federally-insured, interest-bearing account at any bank or savings and loan authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement.

C. Any interest earned on funds deposited in escrow under this Agreement shall accrue as specified in the Purchase Agreement. If the Purchase Agreement does not specify to whom interest is to accrue, any interest earned on funds deposited in escrow under this Agreement shall accrue to the credit of the purchaser. Escrow shall not be liable to either Seller or any purchaser for loss or diminution in funds invested in accordance with instructions given to Escrow. If the Purchaser requests that a separate account be established for the purchaser, the purchaser shall furnish to Escrow the purchaser's social security number or federal identification number and the purchaser shall pay Escrow a fee of \$25.00 for such separate account.

D. Notwithstanding anything contained in the Agreement to the contrary, Escrow shall make no disbursements of purchasers' funds or proceeds from the sale of such units (including any payments made on loan commitments from lending institutions), except by way of refunds thereof, until the Commission has issued an effective date for the Public Report for the Project under Chapter 514B, Seller has provided (a) the effective Public Report, Declaration, Bylaws, House Rules and Condominium Map, to the extent practicable, (b) that the Purchase Agreements have become binding under the provisions of Section 514B-86 of the Act, (c) that there have been no material changes to the Project that would give purchasers a right to rescind under Section 514B-87 of the Act, and (d) that Seller waives any option reserved in any Purchase Agreement in favor of Seller to cancel the Purchase Agreement, among other requirements in the Agreement.

E. Purchasers' funds may be used for construction and other allowable expenses as identified below prior to closing pursuant to Section 514B-92 of the Act, provided that binding contracts exist under which such funds have been deposited into escrow, and said expenses are

**approved for payment by Seller and the project lender or an otherwise qualified, financially disinterested person.** Section 5 of the Agreement sets forth the Escrow requirements for such release of funds. If such funds are to be used for construction prior to closing, the funds shall be taken from all purchasers under binding Purchase Agreement for the building in which said purchaser's unit is located and shall be disbursed by Escrow upon the submission of bills therefor, and upon direction to do so from Seller from time to time to pay for:

1. Construction costs of the buildings and improvements in proportion to the valuation of the work completed by the contractor in accordance with the contract documents, as certified by a registered architect or engineer;
2. Architectural, engineering, and interior design service fees in proportion to the services performed within each phase of services;
3. The costs of purchasing furnishings and fixtures for the units; and
4. Finance and legal fees, and other incidental expenses of constructing the units or developing the Project.

Any funds remaining shall not be disbursed until construction of the Project has been completed (or until construction of the particular unit being conveyed has been completed, to the extent that Chapter 514B permits such disbursement) and Escrow receives satisfactory evidence that all mechanics' and materialmen's liens have been cleared (or, to the extent permitted by Chapter 514B, have been dealt with in such a fashion as to avoid non-compliance with Section 514B-45 of the Act), unless sufficient funds have been set aside for any bona-fide dispute.

F. Each purchaser shall be entitled to a return of his or her funds, without interest, except as provided below, and Escrow shall pay such funds to such purchaser, promptly after request for return by the purchaser, if one of the following has occurred:

1. Seller and purchaser shall have requested Escrow in writing to return to purchaser the funds of purchaser held hereunder by Escrow; or
2. Seller shall have notified Escrow of purchaser's exercise of a purchaser's right to cancel the Purchase Agreement pursuant to HRS §514B-86 (thirty-day right to cancel) or the federal Property Report; or
3. Seller shall have notified Escrow of Seller's exercise of the option to cancel or rescind the Purchase Agreement pursuant to any right of cancellation or rescission provided therein or otherwise available to Seller; or
4. Purchaser or Seller shall have notified Escrow of purchaser's exercise of purchaser's right to cancel the Purchase Agreement to HRS §514B-89 (failure to complete construction before specified completion deadline); provided that Escrow shall first verify with Seller that Seller has not extended the completion deadline by reason of *force majeure*; or
5. Purchaser or Seller shall have notified Escrow of purchaser's exercise of purchaser's right to rescind the Purchase Agreement pursuant to HRS §514B-87, by a valid rescission signed by all purchasers of the affected unit and postmarked no later than midnight of the thirtieth calendar day after the date that the purchasers received the notice of rescission from Seller, in which case the purchasers shall be entitled to a prompt and full refund of any moneys paid.

Upon the cancellation or rescission of any Purchase Agreement, as specified above, Escrow shall be entitled to a cancellation fee commensurate with the services rendered by Escrow prior to such cancellation, plus all costs incurred, up to a maximum of \$250.00. Notwithstanding anything in the Agreement or in any Purchase Agreement provided to the contrary, said cancellation fee shall be the sole expense of the purchaser and shall not in any way be the obligation of Seller, unless the purchaser rescinds the Purchase Agreement pursuant to HRS §514B-87, whereupon Seller shall pay such fee. Seller further understands and acknowledges that in the event of a rescission by the purchaser under HRS §514B-87, if Seller required the purchaser to secure a financing commitment, the purchaser shall be entitled to reimbursement from Seller (and not from Escrow) of any fees incurred by the purchaser in securing that financing commitment required by Seller. No refund shall be made to a purchaser at the purchaser's request prior to receipt by Seller of written notice from Escrow of Escrow's intent to make such refund.

G. Except as otherwise provided by law, Escrow shall give each purchaser entitled to a return of his or her funds notice thereof by registered, certified, or regular mail, postage prepaid, addressed to such purchaser at his or her address shown on the Purchase Agreement or any address later made known to Escrow by such purchaser. If such purchaser shall not have claimed such refund, Escrow shall escheat such unclaimed funds pursuant to HRS §523A-3.5. Escrow shall thereupon be released from further liability hereunder with respect to such funds and such purchaser.

H. Seller shall give notice in writing to Escrow of the occurrence of each event that initiates an obligation of a purchaser to make a payment to Escrow pursuant to the Purchase Agreement as well as notice of the amount and due date of such payment. If the purchaser fails to make such payment to Escrow on or before the due date thereof or if the purchaser fails to perform in any matter that is being handled by Escrow, Escrow shall promptly notify Seller of any such failure on the part of the purchaser. If Seller subsequently certifies in writing to Escrow that Seller has terminated the Purchase Agreement contract in accordance with the terms thereof and provides to Escrow copies of all such notices of termination and proof of receipt sent to the purchaser, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's Purchase Agreement as funds of Seller and not as funds of the purchaser. Thereafter, such funds shall be free of the escrow established by this Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller, less any escrow cancellation fee. Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such purchaser.

\* \* \* \* \*

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE ESCROW AGREEMENT. THIS SUMMARY IS A GENERAL SUMMARY OF SOME OF THE PROVISIONS IN THE ESCROW AGREEMENT AND PURCHASER MUST REFER TO THE ESCROW AGREEMENT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE ESCROW AGREEMENT, THE ESCROW AGREEMENT WILL CONTROL.

### **SUMMARY OF HOUSE RULES**

Capitalized terms have the same meaning as ascribed to such terms in the House Rules or the Declaration.

1. Unit Owners are ultimately and legally responsible for the conduct of all Occupants and Guests of their Unit(s), and at all times shall ensure that their Occupants' and/or Guests' behavior is neither offensive to any other Occupant or Guest of the building nor damaging to any portion of the common elements. 2. Each Occupant shall at all times keep his/her Unit in good order and condition and observe and perform to all laws, ordinances, rules, and regulations applicable to the use of the Project and his/her Unit now or hereafter made by any governmental authority or the Board.
3. No Occupant or Guest shall make or suffer any strip or waste or unlawful, improper, or offensive use of a Unit.
4. Nothing shall be allowed, done, or kept in any Unit or common area that would overload or impair the floors, walls, or roof of the Project, or cause any increase in the ordinary premium rates or the cancellation or invalidation of any insurance thereon maintained by or for the Association.
5. No Occupant or Guest shall place, store, or maintain on walkways, roadways, grounds, or other common areas any furniture, packages, or objects of any kind or otherwise obstruct transit through such common areas.
6. Except as otherwise specifically provided in the House Rules, eating, drinking, or smoking is not permitted in any common area of the Project including, without limitation, lobbies, hallways, elevators, corridors, stairwells, waiting areas, and the parking garage. In addition, smoking is not permitted in any limited common element appurtenant to a specific Unit.
7. No recreational activities shall be permitted in any portion of the Project except in those areas expressly designated for such activities.
8. No Occupant or Guest shall make or suffer any strip or waste or unlawful, improper, or offensive use of the Project or alter or remove any furniture, furnishings, or equipment from the common areas.
9. Keyless access devices are required to enter the building from the parking garage elevators on Levels 1M through 6. Occupants shall not allow strangers to enter the elevator behind them and shall not allow Guests to take keyless devices for access. Occupants shall accompany Guests at all times.

Any pet or specially trained animal causing a nuisance or unreasonable disturbance to any Occupant or Guest, or that is involved in contact with any Occupant, Guest, or other pet in which injury occurs, shall be permanently removed from the Project promptly upon notice given by the Board or the Resident Manager; provided, however, that any such notice given with respect to a specially trained animal shall provide that before such animal must be removed, its owner shall have a reasonable time to acquire a replacement specially trained animal unless the Board determines that such animal poses an imminent serious threat of physical harm to other Occupants or Guests. A tenant of a Unit Owner must obtain the written consent of the Unit Owner to keep a pet or pets in the Unit. Notwithstanding such consent, a tenant may keep only those types of pets which may be kept pursuant to the House Rules. Any Occupant who keeps a pet or pets pursuant to the House Rules may, upon the death of the pet, replace the pet with another and continue to do so for as long as the Occupant continues to reside in the Unit or another Unit in the Project subject to the same House Rules. The Board may from time to time promulgate such rules and regulations regarding the continued keeping of pets and specially trained animals as the circumstances may require or the Board may deem advisable.
13. Each owner of a pet and the owner of the Unit in which such pet is kept shall indemnify and hold the Association and the Board harmless from and against any and all claims, liabilities, or damages arising out of the presence of such pet in the Unit and the Project.
14. Except when in transit, pets (other than specially trained animals) shall not be allowed on any common area. 16. Owners of dogs, including dogs that are specially trained animals, shall be assessed a special annual fee of \$50.00 per dog to defray the additional costs incurred by the Association in properly cleaning and maintaining the common elements of the Project.
17. No structural changes of any type by an Occupant shall be permitted within the common areas except as permitted by, and in accordance with, the provisions of the Declaration and Bylaws.

Open houses are not permitted in the Unit or on the Project.
19. No alterations, modification or changes to a Unit shall be made or permitted except as permitted by, and in accordance with, the provisions of the Declaration and Bylaws. In particular any alterations are required to meet the acoustical requirements for flooring in the event that a Unit Owner chooses to replace wood flooring with carpet, stone, tile, or other material. Minimum IIC and STC acoustic standards for the transference of sound through the slab to the Unit below and through the walls to adjacent Units, as required by the Declaration, need to be met and documented.
20. Damage to the buildings or common areas by any Occupant or Guest shall be the responsibility of the Unit Owner who, or whose Occupant or Guest, caused said damage and such damage shall be repaired at the expense of the responsible Unit Owner.
21. 22. In addition to any other remedy available to the Association by law or equity, a monetary fine, as stated in the House Rules, may be charged against the responsible Unit Owner for each violation of the Declaration, the Bylaws, and/or House Rules. This fine will be deducted from the responsible Unit Owner's maintenance fee payment as stated in the priority of payment schedule. Fines duly imposed but unpaid shall constitute a lien on the owner's Unit that may be foreclosed upon in like manner as a lien for unpaid assessments to collect the unpaid amount. The Association also has the right to pursue any action to recover a money judgment for any unpaid fines without foreclosing or waiving the lien.
23. Any person fined and/or cited ("appellant") may appeal from the fine and/or citation imposed by the Board, the Managing Agent, or the Resident Manager as follows:
  - (A) Notice of Appeal. By delivering to the Managing Agent, within twenty (20) days after the date of delivery or mailing to the appellant, whichever is first in time, of written notice of such fine and/or citation, a written notice of appellant's appeal and the reason(s) therefor. The filing of a notice of appeal shall not halt the accrual of any ongoing fine imposed for

the violation, which is the subject of the appeal. However, the Board may waive or rescind all or part of such fine for good cause at the time of the hearing of such appeal.

- (B) Time for Hearing Appeal. All appeals shall be heard by the Board either by email, conference call, or at a physical meeting of the Board within ninety (90) days after the notice of appeal has been delivered to the Managing Agent.
- (C) Procedure. A statement of the facts on which the fine or citation was based shall be furnished to the appellant at least (10) days before the hearing. Each appeal will be handled on a case-by-case basis. If a physical meeting is required or requested by the appellant, the appellant and witnesses on the appellant's behalf, if any, may present appellant's defense and supporting evidence. The Board may ask other persons to attend and present testimony, and the Board may consider all relevant testimony, evidence, and information related to the violation.
- (D) Disposition of Appeal. The directors of the Board may not act unless a quorum is present. The Board shall vote as to whether the fine, the amount thereof, and/or citation shall be affirmed. If a majority of the directors of the Board present vote in the affirmative, the fine and/or citation shall be upheld and continue in full force and effect. If less than a majority of those directors of the Board present vote in the affirmative, then the fine and/or citation shall thereby be rescinded.

Except to the extent expressly proscribed or limited by the Declaration, the Bylaws or the House Rules, the Board, through a majority vote, reserves the right to make such other rules or to amend the House Rules from time to time by action of the Board as it deems appropriate to promote the safety, care, and cleanliness of the Project and to ensure the comfort and convenience of all Occupants and Guests, so long as such rules are not inconsistent with any applicable laws, ordinances, codes, rules or regulations applicable to the Property and/or its management or operation. During the Developer Control Period, the Developer may amend the House Rules in any manner without the joinder, consent, or approval of any other party.

### **SUMMARY OF HCDA PERMITS AND AGREEMENTS**

Capitalized terms shall have the meaning ascribed to such term in the Declaration or the Master Declaration and/or Master By-Laws.

The Project is located within the Kaka'ako Community Development District and is subject to the jurisdiction of the Hawaii Community Development Authority ("HCDA"). The Project will be developed subject to and in compliance with the terms of various permits and agreements by and/or between the master planned developer, the Developer, or Developer's predecessors in interest, and HCDA (collectively, "HCDA Agreements"), including (but not limited to) the following:

A. The development and use of the Project are subject to the terms and provisions of the Nunc Pro Tunc Order re: Hearing Officer's Proposed Findings of Fact, Conclusions of Law, and Decision and Order for a Master Plan Permit, approved by the Hawaii Community Development Authority in File No. PL MASP 13-1-3 on January 14, 2009 ("Ward MP Permit"), a memorandum of which was recorded on June 17, 2009 with the Bureau of Conveyances, State of Hawaii, as Land Court Document No. 3869623 and Bureau of Conveyances Document No. 2009-093051. Pursuant to the Ward MP Permit, the development and use of the Project are subject to the terms and provisions of the HCDA's Mauka Area Plan and the HCDA's Mauka Area Rules (Title 15, Subtitle 4, Chapter 22, of the Hawaii Administrative Rules) in effect on January 14, 2009 ("Vested Rules"). The Ward MP Permit and Vested Rules have an effective period of fifteen (15) years, which ends on January 14, 2024 unless an extension is obtained.

B. A Master Plan Development Agreement for the Ward Neighborhood Master Plan was executed December 30, 2010, a memorandum of which was recorded on January 7, 2011 with the Bureau of Conveyances, State of Hawaii, as Land Court Document No. 4036891 and Bureau of Conveyance Document No. 2011-004171 ("Ward MP Development Agreement"), which imposes the terms and conditions of the Ward MP Permit on the Land and shall run with the Land and shall bind and constitute notice to all subsequent lessees, grantees, assignees, mortgagees, lienors, and any other persons who shall claim an interest in the Land. HCDA shall have the right to enforce the Ward MP Development Agreement by appropriate action at law or suit in equity against all such persons. The Ward MP Development Agreement confirms the application of the Vested Rules to the Ward MP Permit area and describes generally the timing and process for phasing, reserved housing credits, and public facilities within the master planned community.

C. Declaratory Order Re: Applicability of Condition No. 4 of Nunc Pro Tunc Order Re: Hearing Officer's Proposed Findings of Fact, Conclusions of Law, and Decision and Order for a Master Plan Permit, issued January 14, 2009, issued October 10, 2012 in File No. PL MASP 13-1-3 by HCDA, which confirms and declares that certain amendments required by Condition No. 4 of the Ward MP Permit are inapplicable and no longer required. It also defines zoning for Property.

D. Planned Development Permit No. KAK 13-037 was issued by HCDA on August 21, 2013 ("PD Permit"), which authorizes the development of the Project.

E. Ward Village Shops Joint Development Agreement effective as of March 17, 2006, a short form of which was recorded on January 23, 2009 in the Bureau of Conveyances, State of Hawaii, as Land Court Document No. 3821858 ("WVS JDA"). The WVS JDA was executed in conjunction with the Base Zone Development Permit issued by HCDA on August 17, 2006 (MUZ-93-04). The WVS JDA will be amended pursuant to the issuance of the Ward MP Permit and the PD Permit.

F. A First Amended and Restated Public Facilities Agreement was executed July 26, 2013, which identifies the public facilities requirements for the Project and describes how those requirements will be fulfilled. The Public Facilities Agreement identified 25,803 square feet of public facilities required for Land Block 3, Project 1, the site of the Project, to be fulfilled through a combination of credits and certain perpetual public easements.

G. The Project may also be subject to the HCDA's District-Wide Improvement District Assessment Program and may be assessed for the cost of improvements made in the vicinity of the Project. If any such assessments are made, the Owners shall be responsible for and shall pay their respective prorated share of any such Improvement District Assessment as part of such Owners' share of the Master Assessments.

There may be other agreements and permits with HCDA that are required in order to complete the master planned community and the Project, which may not be mentioned or described herein. The Developer has the reserved right, without the consent or joinder of any other person or entity, to negotiate, sign and record (if appropriate) any permits, agreements or instruments (including but not limited to amendments of the Declaration, the Bylaws, or the Condominium Map) and to enter into such permits, agreements or instruments and do all things that may be reasonably necessary to obtain such further permits, agreements or instruments, or any amendments thereto, as may be required by the HCDA, the Ward MP Permit, the Ward MP Development Agreement, any other agreements or instruments or permits, the Vested Rules and comply with all applicable permits, laws, rules, ordinances and other governmental requirements that pertain to the Project or the master planned community development.

### WARD VILLAGE MASTER PLANNED COMMUNITY: SUMMARY OF MASTER COVENANTS, CONDITIONS AND RESTRICTIONS

Capitalized terms shall have the meaning ascribed to such term in the Declaration or the Master Declaration and/or Master By-Laws.

The Project is one of multiple high-rise condominium projects anticipated to be developed by Victoria Ward, Limited, the Master Declarant, or its affiliates as part of a master planned community called "Ward Village." The Project will be part of this urban, mixed-use master development located in central Kaka'ako, City and County of Honolulu, Hawaii. The Master Declarant intends to substantially transform the current landscape surrounding the Project over the next decade or so to create the master planned community.

Being a part of "Ward Village," the Project is subject to the Community Covenant for Ward Village, dated September 13, 2013 and recorded in the State of Hawaii Bureau of Conveyances as Document No. A-50040794 ("Master Declaration") and the By-Laws of Ward Village Owners Association, recorded as Exhibit E to the Master Declaration ("Master By-Laws") and the Ward Village Rules ("Master Rules"), as the same may be amended and/or supplemented from time to time, and all rules and regulations promulgated thereunder, including, without limitation, any assessments, voting rights, design restrictions and the design review process set forth therein, if applicable. By acquiring an interest in the Project, each Owner agrees to carefully review, observe and comply with all covenants, conditions, restrictions and other requirements to which the Project is subject under the Master Declaration and Master By-Laws, including memberships in the Ward Village Owners Association ("Master Association") and the payment of such sums as may be assessed pursuant to such Master Declaration or Master By-Laws ("Master Assessments") for the Project's share of common expenses for Ward Village. Further, Developer shall have the reserved right, without the consent of any Owners or such Owners' mortgagees, to amend the Declaration and to enter into any agreements and to grant easements and to do all things necessary and convenient to effect and implement the purposes of the Master Declaration, Master By-Laws and Master Rules and to execute, file and deliver any and all documents necessary to effect the same, including, but not limited to, any amendments to the Declaration and to the Condominium Map.

The Master Declarant shall be liable for any Master Assessments on Units it owns; however, during the Declarant Control Period under the Master Declaration, the Master Declarant may pay assessments on Units it or any of its affiliates owns by paying any shortfall under the Master Association's expense budgets, resulting from events other than failure of others to pay Master Assessments; provided, the Master Declarant may, but shall not be obligated to, pay amounts budgeted to its, or its affiliates', Units for reserves or fund any shortfall in budgeted contributions to reserves. After termination of the Declarant Control Period under the Master Declaration, the Master Declarant shall pay assessments on any Units it owns in the same manner as any other owner liable for such assessments.

Notwithstanding the above by signing and accepting a deed to the Unit, Owners acknowledge accept the following related to living in Ward Village:

A. Any representations of Ward Village received or viewed by the Owners over time are not representations and/or warranties that all improvements or amenities and/or services represented in such depictions will exist.

B. There may be ongoing construction, noise and nuisance, traffic and road congestion in the master planned community and vicinity until the entire Ward Village development is completed, including, the potential for detours roads and pathways for access to the Project.

C. Certain portions of lands near the Project outside, abutting and/or near the Project may be subject to redevelopment, and in the future may or will be developed. The Association and the Developer make no representation as to the nature, design, architecture or size of any future development and/or the impact of such developments on the Project.

D. Ward Village is intended to contain multiple high rise mixed use condominium projects along with amenities such as community parks and entertainment facilities (i.e., outdoor stages, concerts, live performances). Neither the Developer nor the Master Declarant represent or warrant that any of the project amenities, including the parks, will be built at all or will be built to the extent represented in in any drawing or representation. Owners should anticipate noise from amenities provided within Ward Village.

E. Owners will not become members of the Master Association and, in most instances, will not have direct voting rights in the Master Association. The Association will be the member of the Master Association for the Project. The Association and the Owners shall be responsible for certain shared costs for the maintenance and upkeep of any master community common areas and other services and use areas shared among the projects in Ward Village and described in the Master Declaration and Master By-Laws. The Master Association has the right to lien a Unit in the event of nonpayment of any Master Assessments by the Association or the Unit's Owner.

F. The Master Declaration sets forth a "Declarant Control Period," which is the period of time during which the Master Declarant may appoint majority of the members of the Master Association's board of directors, and a "Development and Sale Period," which is the period during which the Master Declarant may exercise other development rights under the Master Declaration.

G. In addition to any design restrictions and/or regulations or standards in the Condominium Documents, Owners will be subject to the additional design restrictions, design guidelines and/or regulations or standards promulgated by the Master Declarant or the Master Association pertaining to Ward Village. The Master Declaration and Master By-Laws set forth sanctions for noncompliance with the provisions in the master documents.

H. The Master Declaration creates and contains rights of the Master Declarant to create various component areas within Ward Village which may include all, or a portion of the Project. Some of these areas may require easements through portions of the Project, which may grant the Master Association, and/or the public, access through the Project or use of certain areas within the Project (i.e., access ways, bicycle pathways, park or recreational areas, security system or services, parking facilities). Such areas may also be dedicated for use by the public or for public rights of way, pursuant to the Master Declaration. In such case, the Master Association may assume responsibility for maintenance of the area and may pay for the costs associated with such areas as a Master Association expense.

I. The Master Declarant and the Master Association may enter into certain service contracts for services provided by vendors to multiple properties in Ward Village, including, without limitation, the Project, based on overall economic, service and efficiency benefits to the overall master development.
